Flint River Bowhunters Club has decided to put together a fun 3D archery club for kids to join this summer 2021! Come and learn about 3D archery and meet new friends!

These sessions have limited space. Genesis bows and arrows can be provided if your child needs archery equipment. Equipment is limited. The park archery equipment can only be used during youth 3d archery club scheduled practices/3D shoots that are located at Big Hollow. Park arrows can only be used in Genesis bows.

Students will learn USA Archery 11 steps of shooting, Archery safety on different types of ranges, how to score different types of 3D targets and of course we will play fun archery games during some practices!

FRBC also encourages our 3d archery club kids to join our S3DA team! For more information on S3DA please visit the Scholastic 3D Archery website at: www.s3da.org More information about S3DA will be provided at the registration meeting. In order to compete in S3DA sanctioned events youth must be a member of S3DA and join a local S3DA team. You do not need to join our official S3DA team to participate in the 2021 FRBC youth 3D archery club.

All scheduled practices will take place out at Big Hollow Recreation Area, Sperry IA. We will meet in the parking lot next to the 300M range & walk together out onto the Flint River Archery/Bowhunters Club 3D archery range. **For map of location: www.flintriverbowhuntersclub.com/location.html** The walk to the range from the parking lot will take us approx 7-8 minutes. A few practices may take place on the 300M range, next to the parking lot. This all depends on when we are able to reserve the facilities for practice. We encourage parents to join us on the 3D range, but are not required during practices. We would like to have 2 parents with our group during practice days if possible.

Optional to Bring: A folding stool or chair that is simple to carry. There are benches to sit on, but space is limited. Bug spray, Thermacell, sunblock, snack, drink(water will be provided at no cost at every practice to club kids)

****Please try to bring an archery armguard! We have a few available, but just in case we don't have enough it would be great if some kids could bring their own. Also, if your child will use the park archery equipment they may want to bring a shooting glove or finger tab.**

****If practice has to be cancelled due to inclement weather it will be rescheduled on a Sunday, Monday or Wednesday.**

Cost: \$65 for first session and \$40 for a second session. The \$65 includes an annual family membership to FRBC, which is required to register for Summer Archery Club sessions. Membership is required to use the FRBC 3D archery range. FRBC membership also provides access to the range to all immediate family members on file at any time all year round. It also includes a \$2 discount during FRBC scheduled shoot days. Range safety & other paperwork must be signed by a parent or legal guardian during the registration meeting. If you cannot make it to the meeting please email or call us.

FRBC annual family membership: \$25

Session 1: \$40

Session 2: \$40

S3DA annual membership: \$25 (optional & can decide to sign up at any time)

**Sign up for one session or both!

Checks payable to: Flint River Bowhunters Club

Session 1 Online Registration Dates: May 1st - May 22nd 2021

Session 2 Online Registration Dates: June 1st - June 26th 2021

**register online before the meeting to save your child a spot as space is limited!

Please go to www.flintriverbowhuntersclub.com to register, or email us at: FRBC1984@AOL.COM . You may also register at the registration meeting as long as the Session is not already full.

SESSION 1 REGISTRATION/SAFETY MEETING:

***May 23rd 2021, Sun.** |10am-Noon or Noon-2pm-Big Hollow 300 M Range (contact us if times do not work) Membership and club paperwork will be filled out and payment is due at this meeting. We will talk about archery & range safety. We will issue archery equipment to children that would like to use it. We will also be able to answer questions about our S3DA team and can also talk about archery equipment.

SESSION 2 REGISTRATION/SAFETY MEETING:

***June 27th 2021, Sun.** |5pm-7pm? **To be announced**-Big Hollow 300 M Range (contact us if times do not work) Membership and club paperwork will be filled out and payment is due at this meeting. We will talk about archery & range safety. We will issue archery equipment to children that would like to use it. We will also be able to answer questions about our S3DA team and can also talk about archery equipment.

****Session 1 3D Archery Club kids will have early registration access to Session 2 and do not need to attend the registration meeting for Session 2.**

In September or August there will be an option to enter a youth championship shoot. We are still working on the details so date & time to be announced. There will be a registration for this shoot in late July. Entry fee will be around \$10, but no higher than \$10. This will help with the cost of awards. Shooting classes will be announced at a later date and awards will be given to the top 3 in each class/division.

Lead coaches/Instructors are certified USA Archery Level 2, S3DA Advanced and one instructor is also a certified NASP BAI. Coaches are required to complete annual SAFESPORT training and have regular background screenings on file with all three archery organizations.
